THE SOCIETY FOR THE STUDY OF ALCHEMY AND EARLY CHEMISTRY

The Society for the Study of Alchemy and Early Chemistry has as its object the scientific and historical study of the subjects named in its title. The Society's journal, *Ambix*, is an indispensable means of research for those engaged in studies of these branches of the history of science. The membership subscription is £2 5s. and the subscription to non-Members, Libraries and Institutions, for one volume, is £3 5s., post free. All subscriptions should be sent to the Hon. Treasurer, Dr. W. A. SMEATON, Dept. of History and Philosophy of Science, University College, W.C.1. Applications for membership of the Society should be made to the Hon. Secretary, F. GREENAWAY, Esq., Science Museum, Exhibition Road, London, S.W.7.

AMBIX

Articles of a scholarly and scientific nature are invited, and their scope may include any period in the history of alchemy and of chemistry up to the end of the nineteenth century. While every care will be taken of authors' manuscripts, no responsibility will be accepted for accidental loss or damage.

Contributions for *Ambix* should be sent to the Hon. Editor, Dr. W. H. BROCK, Dept. of History of Science, The University, Leicester.
